Earl v. Good Samaritan Hospital et al., 20-cv-03119 (NSR)

RE: Pending Motion to Dismiss: Request for brief extension

Dear Judge Román:

I have requested no other extensions requested on this motion and ask for an additional week. I was sick for about this amount of time earlier in the month. As such, it would behoove everyone for me to have a bit more time to answer the pending motion. I emailed my opponent, Allison B. Gotfried, about this request and she indicated she would not object. This will make my opposition due (to be served by not filed as prescribed by your order) no later than February 10, 2022. (I assume the defense would like the identical additional time to finish a reply brief and of course consent to such an extension.)

Thank you for your consideration.

Sincerely,

/s/ Greg S. Antollino

Gregory Antollino
